To Whom it may concern:

The USACE is currently conducting yearly maintenance dredging in Humboldt Bay. After viewing the current survey supplied by Manson Dredging, all draft restrictions have been lifted by the Humboldt Bar Pilots Association. The maximum loaded draft in Humboldt Bay is 38 feet based on a +6.0 foot tide.

If you have any questions or concerns please don't hesitate to contact us using the information provided above.

Thank you,

Capt. Tim Petrusha, Bar Pilot
Humboldt Bar Pilots Association
