

General Coastal ACP Architecture

Part	Section	Sub-Section	Title/Description	Notes	
1000 General	1010		Approval Letter signed by District Commander		
	1020		Letter of Promulgation signed by the FOSC (AC Chair)		
	1030		Record of Change Page		
	1040		Introduction		
	1050		Purpose		
	1060		Document Organization		
		1060.1		List/Table of Annexes	
	1070		ACP relationship/alignment with other plans under National Response System (NRS)		
		1070.1		Tribal Plans	
		1070.2		Vessel Response Plans	
		1070.3		Facility Response Plans	
		1070.4		State Plans	
		1070.5		Local Plans	
		1070.6		International Plans	
1080		ACP Relationship to National Response Framework (NRF)			
	1080.1		Nuclear/Radiological Incident Annex to the NRF		
1090		ACP Relationship to the National Incident Management System (NIMS)			
2000 Geographic Scope & Jurisdictional Boundaries	2010		Description of Coast Guard Coastal Zone/EPA Inland Zone Boundary (Line of Demarcation)		
	2020		Copy of current USCG/EPA MOU		
	2030		Geographic boundaries/coordinates (COTP Boundary)		
	2040		Graphic(s) depicting Geographic Area covered by ACP		
	2050		Sub-geographic areas, parish/county borders, as necessary		
3000 Roles & Responsibilities	3010		Federal Agency Roles and Responsibilities		
	3020		State Agency Roles and Responsibilities		
	3030		Local Roles and Responsibilities		
	3040		Support Available to the FOSC		
	3050		Regional Response Team		
	3060		Natural Resource Trustees		
	3070		Federal Agency Scientific/Technical Support		
	3080		Nongovernmental Organization Technical Support		
	3090		Federal Agency Legal and Investigative Support		
4000 Area Committee	4010		Organization		
	4020		Charter		
	4030		AC Meetings		
	4040		AC Annual Report		
5000 Plan Validation	5010		ACP Annual Update, Review, and Approval Process		
	5020		GRS Validation (i.e. booming and collection strategies)		
	5030		Area Exercises		
6000 Pre-Spill Risk Analyses, Consultations & Response Strategies	6010		Worst Case Planning Scenarios	Summary/refer to Annex	
	6020		Pre Authorizations under ESA	Summary/refer to Annex	
	6030		Section 106/ Historical and Culturally Sensitive Areas	Summary/refer to Annex	
	6040		Environmentally Sensitive Areas	Summary/refer to Annex	
	6050		Economically Sensitive Areas	Summary/refer to Annex	
	6060		Geographic Response Strategies	Summary/refer to Annex/digital space	
7000	7010		Initial Reporting, Notification, and Preliminary Assessment Procedures		
		7010.1		Preliminary Assessments	
		7010.2		Cleanup Assessment Protocol	
	7020		Emergency Consultations		
		7020.1		ESA	Reference relevant Annex/Tool/QRC
		7020.2		Section 106	Reference relevant Annex/Tool/QRC
	7030		General Hierarchy of Response Priorities		
		7030.1		Safety	
		7030.2		Priority Identification and Protection Strategies	
		7030.3		Risk Assessment for Sensitive Area Prioritization	
		7030.4		Environmentally Sensitive Areas	
		7030.5		Wildlife Rescue & Recovery	
		7030.6		Aligning of NRDA with Response	
	7040		National Incident Management System (NIMS)		
		7040.1		Unified Command (UC)	
		7040.2		FOSC Decision Authority	
		7040.3		Responsible Party	
		7040.4		Common Operating Picture (COP)	
		7040.5		Incident Command Post (ICP)	
		7040.6		Public Information	
	7050		Oil Spill Containment and Cleanup		
	7050.1		Containment		

7000 Response	7050.2	Shoreline Protection Options		
	7050.3	On-water Recovery		
	7050.4	Non-floating Oil Recovery and Protection		
	7050.5	Shore-side Recovery and Natural Collection Points		
	7050.6	Shoreline Cleanup		
	7050.7	Decontamination		
	7050.8	Disposal		
	7050.9	Terminating Cleanup Operations		
	7060	Hazardous Substance Response	Summary, refer to Annex	
	7060.1	Introduction		
	7060.2	Environmental Support to the FOSC		
	7060.3	State Policy		
	7060.4	Funding		
	7070	Oil Spill Response Funding		
	7070.1	HAZMAT Pollution Response Funding		
	7070.2	FOSC Access to Federal Funds		
	7070.3	Funding Authorizations for Other Agencies		
	7070.4	State Access for Immediate Removal/Prevention Costs		
	7070.5	Trustee Access to the OSLTF		
	7070.6	Local and Tribal Government Access to the Superfund		
	7070.7	Military Interdepartmental Purchase Request		
	7070.8	Documentation and Cost Recovery		
	7080	NCP Documentation Requirements		
	7080.1	Cost Documentation Procedures		
	7080.2	NPFC User Reference Guide		
	7090	Oil Spill Claims		
	7090.1	Claims to the OSLTF		
	7090.2	NOAA Damage Assessment Procedures		
	7090.3	Response Resources		
	7100	Post Spill Consultation		
	8000 Response Resources	8010	Oil Spill Removal Organizations (OSROs) and Equipment	
		8010.1	OSRO Classification Program	
		8010.2	Response Resource Inventory (RRI) Database	
8010.3		Classified OSRO listings for the Area/COTP Zone		
8010.4		Basic Ordering Agreements (BOAs)		
8010.5		Oil Spill Response Cooperatives and Consortiums		
8020	Salvage and Marine Firefighting	Summary, refer to SMFF Annex		
9000 Response Technologies	9010	Chemical Countermeasures		
	9010.1	Dispersants		
	9010.2	Burning Agents (In-Situ Burn)		
	9010.3	Surface Washing Agents (SWAs)		
	9010.4	NCP Product Schedule		
	9010.5	Monitoring and Evaluation of Alternative Response Technologies		
	9020	Special Monitoring of Alternative Response Technologies (SMART)		
	9020.1	Dispersant Monitoring		
9020.2	In-Situ Burn (ISB) Monitoring			
9020.3	Alternative Response Tool Evaluation System (ARTES)			
STANDARD ANNEXES				
ANNEX A	Master Hyperlink Index	Mandatory; Supports base plan and all Annexes		
ANNEX B	Risk Analyses/Risk Profile Annex	Mandatory; Not for public consumption		
ANNEX C	Fish & Wildlife Annex	Mandatory		
ANNEX D	Hazardous Substance Annex	Mandatory		
ANNEX E	Salvage and Marine Fire Fighting Annex	Mandatory		
ANNEX F	Response Tools: Quick response guides (QRGs), checklists, forms, job aids, etc.	Mandatory		
ANNEX G	Unconventional Oil Response	Supplements unconventional response content in base plan as needed		
ANNEX H	Tribal Annex	Supplements tribal content in base plan as needed		
ANNEX I	ESF-10 Annex	Mandatory if applicable		
ANNEX J	Ice Operations & Arctic/Cold Weather Response	Mandatory if applicable		
ANNEX K	Swift Water Response Operations	Supplements swift water content in base plan as needed		
ANNEX L	International Coordination and Relationship to International Plans	Supplements international content in base plan as needed		
ANNEX M	Space Operations	Mandatory if applicable		
NON-STANDARD ANNEXES				
ANNEX AA	Reserved for unique, area centric Annex			
ANNEX BB	Reserved for unique, area centric Annex			
ANNEX CC	Reserved for unique, area centric Annex
